Sir:

A copy of the first page of the filing receipt that has been issued in connection with this application is enclosed. The information given in the filing receipt contains a typographical error, in that the number of the foreign priority document is given as "11/092675" when in fact the foreign priority document should be listed as --11/192675--, as noted on the first page of the declaration and on the second page of the inventor information sheet (copies enclosed) which were filed with this application. It is therefore requested that a corrected filing receipt showing the number of the priority document as 11/192675 be issued.

Respectfully submitted,

James H. Walters, Reg. No. 35,731
